

**"The New Maria"**

Dear Dr. Prasad

Happy New Year to you and your family and wonderful staff. [My husband] and I are here in Florida and looking at a new me everyday.

I must tell you that I am very happy and I know you told me it will take at least six months to see the overall outcome. Well, I feel great now, just some numbness and redness, but I'll take it!!!!

I do intend to come see you when we return from Florida.

Please send our best to your staff and wish all a Happy and Healthy New Year!!!

Looking forward to your Email
